Subject: Partner with Inclusive Horizons to Transform Lives

Dear Community Partner,

At Inclusive Horizons, we believe that every individual, regardless of ability, deserves the opportunity to thrive. Our nonprofit provides a *compassionate and comprehensive adult behavioral day program* for individuals with *significant disabilities and complex behavioral needs*—many of whom have been turned away from traditional services due to their intensive support requirements.

We invite **YOU** to become a **valued sponsor** of our mission, joining us in creating an inclusive community where individuals with unique support needs can **develop life skills**, **gain independence**, **and fully participate in society**.

Why Your Support Matters

Your sponsorship will directly contribute to:

- Specialized behavioral support services that promote self-sufficiency.
- Community integration programs that help participants engage in real-world settings.
- Sensory tools and adaptive equipment to support individuals with sensory sensitivities.
- Staff training in evidence-based interventions to ensure quality care.
- Scholarships for participants from low-income families who need access to vital support.

We are currently in the process of obtaining our 501(c)(3) tax-exempt status, with Form 1023 submitted on October 16, 2024. While we await official approval, we are actively building this much-needed program from the ground up. Your contribution at this stage is especially impactful, helping us lay a strong foundation for lasting change and long-term community benefit. Once our status is approved, all donations made on or after October 16, 2024, will be recognized as tax-deductible, in accordance with IRS guidelines.

Would you be open to a meeting to explore sponsorship opportunities? We would love to discuss how **your business** can be part of this **transformational initiative**. Please feel free to reach out at your convenience.

Together, we can create a world where every person, regardless of their challenges, has the opportunity to lead a meaningful and fulfilling life.

With gratitude,

Breanna Brooks
